

Application to Join the BSc in Information Systems & Computing (to be completed by students other than graduates of the Birkbeck FDIT)

You must demonstrate that you have studied both of the subjects below in an HND or FD at a College or University or an institution of equal standing in the UK.

Evidence that you have studied a topic is

1. the appearance of the topic or an equivalent topic on the syllabus of a module in your qualification
2. Evidence that you passed the module of 1 above.

Photocopies of your documents should be provided.

Number your syllabus documents S1, S2 etc in the top right hand corner of the copies you provide.

Number your transcript documents T1, T2 etc in the top right hand corner of the copies you provide.

For each row below enter the appropriate numbers.

Topic	Syllabus	Transcript
<p>Computer Programming</p> <p>State the Language learned _____</p> <p>Duration of the language teaching _____ hours</p> <p>Method of Assessment _____% coursework _____% exam</p>
