- Identify your tasks
- Break them down into manageable chunks
- Schedule tasks

Mathematics

There are video tutorials to help with specific computing maths:

- <http://bbk.libguides.com/computerscience/mathstutorials>

Alternatively on YouTube:

- https://www.youtube.com/playlist?list=PL2Fy-5oxIlb6cG15wxnhRdAmdskil_3-7

Other useful websites for math:

- Math Tutor: <http://www.mathtutor.ac.uk/>
- Khan Academy: <https://www.khanacademy.org/>

A very useful site to know about:

- Lynda.com: <http://www.bbk.ac.uk/its/help/training/lynda>
(Statistics: Foundation 1-3)
- Office 365: Look under the 'manage' menu in [My Birkbeck](#) for **My Software**.

study tips

- try and study with other students
- make sure you do the pre-lecture reading so that you have a grasp of the topic
- go through your notes afterwards to consolidate what you have learned
- don't delay - ask for help if you need it
- plan where you are going to study outside of lectures
- use the study planner to organise your time & tasks

**good luck in
your studies
at Birkbeck!**
