

School of Business, Economics and Informatics
MPhil/PhD Research Plan

This document must be filled in by the student and their Principal supervisor(s) within the first 3/6 months of study (FT/PT students) and submitted to the Department's Postgraduate Research Tutor for feedback and approval. The research plan should be reviewed at the end of the first year of study, by the student and their Principal supervisor(s), and amended as appropriate. Thereafter, it should be reviewed annually by the student and their Principal supervisor(s).

Student's Details	
Surname	
Other Names in Full	
Full-time or Part-time	
Start date	
Proposed Title of the Research Project
