

Department of Computer Science and Information Systems

PGCert Applied Data Science Schedule 2021/22

Updated Thursday 28 October 2021

Term Dates

Teaching will commence in the week starting on Monday 4 October 2021 and takes place over two terms of eleven weeks each (Autumn and Spring term). The Summer term is given over to revision (including revision lectures), examinations, and the project.

Autumn Term: Monday 4 October 2021 to Friday 17 December 2021

Spring Term: Monday 10 January 2022 to Friday 25 March 2022

Summer Term: Monday 25 April 2022 to Friday 8 July 2022

For college closure dates please consult the [college website](#).

Introductory Talks

Introductory talks for new students take place in the week preceding the start of term. Information regarding dates, times and venues will be sent via email in the weeks preceding. The talks will include an introduction from the programme director, a hands-on introduction to the departmental computer systems and short presentations by representatives from the library and student services.

Locations

Personal timetables, including the teaching venues, are provided through [My Birkbeck](#). You are advised to check your personal timetable before each lecture because room bookings can change at short notice.

Attendance

Students should attend lectures during term time as shown in the timetables. If students are unable to attend lectures, they should consult Moodle to obtain copies of any material distributed in class. Any student who decides to withdraw from the programme should inform the Programme Administrator. Students who simply stop turning up for lectures without formally withdrawing from the programme will still be held liable for fees. It is especially important for international students that they inform the department about any absence.
